Beautiful cover model Jayden Cole is a TABOO fan favorite. She struggles in bondage so gorgeously. Jayden's excitement is evident as she squirms and moans against the ties. The sting of the harsh whip leaves marks on her thighs that she wears so well. Follow her on Twitter along with 575,000+ adoring fans.

Lovely Jessa Jordan makes her TABOO debut this issue. Her strong, smooth legs will have you begging for more. And more she will give, but only on her terms. She does not suffer fools. We are very happy that she shares her golden streams with us. I'll drink to that!

Sexy domina Stacey Saran sure knows how to tame the wild beast inside the male of our species. She leads Seth around by his cock and balls and re-makes him into a perfectly docile play-toy. Always hard and on the ready, Seth fulfills everything Stacey needs, especially her oral fixations. What a dynamic duo they make!

KFRAV plays a busy domestic. She finds the time for a little phone sex, after which she dons her new bondage collar and opens up her parts to Krider's lens for an eye-popping basement session. Ooh la la.

Play safe!

CASEY CALVERT

PHOTOGRAPHER
DAVE NAZ

Casey kneels naked in nude heels with her hands cinched behind her shoulders in a reverse-prayer tie. She waits patiently to receive her sentence for allowing another to use her without permission. Casey fears the cane worst of all. Her knees tremble and her eyes tear, but she doesn't waver, the impacts spread more evenly over her burning butt with a few swats from the paddle. Perhaps now she'll be fucked and forgiven.

It won't be that easy. Since she let herself be taken anally, the final phase of her discipline will be inflicted there, first with a hard, cold glass plug knotted into her tight pucker, followed by an additional ten stripes with it lodged firmly up her bum. Clearly still annoyed, her Dom holds her head down with his boot while torturing Casey's sensitive labia with his tightest clover clamps as he reams her with a thick, rigid dildo. It comes out shiny and clean, but that doesn't spare her a full flushing with cold milk she's required to retain, guts cramping, until she's given leave to expel it humiliatingly under his watchful gaze.

Satisfied she's learned her lesson, at least for now, her Top takes advantage of her thoroughly prepared asshole. Being his sub has its sacrifices, but it's not without rewards.

JESSA JORDAN

When did you start fetish modeling and under what circumstances?
In 2012, I did my first latex runway show and I was hooked on it from there! I began to travel and expand my modeling repertoire to include bondage and foot fetish work. It's matriculated into topping, strap-on play, water play, toilet training, breath play, impact play and other more intense fetishes. I wouldn't have it any other way.

What fetishes do you like personally? What do you fetishize in your life?
I actually have a big rubber fetish but also really enjoy tickling (giving and receiving). I really dig the vampire role play, too (Team Fangbanger ftw?) I enjoy biting far more than average people as well as electrocution. I'm a switch with sadistic tendencies so anything where I get to explore my whims and torture a partner is up my alley.

Why did you want to shoot for TABOO Magazine?
I'm always humbled by the challenge of creating beautiful and perverse imagery. TABOO represents the pinnacle of elite smut so it's an honor to be published amongst the world's best fetish pornographers.

Do you wear fetish clothing in public? What are your favorite pieces?
Typically, the traditional O-ring leather collar is my favorite accessory to complete an everyday ensemble. I've been dabbling in wearing chest and thigh harnesses and leather statement pieces as well. One day I'll have a full latex wardrobe.

Have you ever had sex in public?
Yes, in several types of public. While on a family vacation, one of my exes and I had sex on a tennis court and I've given a couple bjs while driving on the highway to my current partner, Reid Castle. We've also shot a full scene amongst the lush flora of the Pacific Northwest Trail, right where others have hiked!

Do you like to be spanked or spank others?
Love being spanked but absolutely love spanking others more! Bare-handed or with tools. I love a good whip or riding crop.

What do you think about anal sex?
Pegging is my happy place. I want to become a butt slut but it's not really in the cards for me currently.

Do you like rough sex, choking, slapping, etc.?
With emphatic consent, the rougher the better! I love being choked but I'd rather slap someone than get slapped. But take me to pound town, spit in my mouth while you pull my head back or fish hook me, and look in my eyes!

How do you feel about bondage?
I love bondage! Suspension rigging is one of the most fun things I've ever done. One of the most iconic shots of me suspended upside down has been immortalized on the cover of a coffee table book by my good pal The Dark Arts! I always jump at the opportunity to use restraints on someone.

Are you dominant, submissive or a switch?
Big switch energy over here but I'm extremely selective who I'll submit to. I need to feel the dominance radiating off a person, otherwise my dominant, sadistic side takes over.

Have you ever been pissed on or pissed on other people?
Never been pissed on—and it would cost a very pretty penny for that experience—but I've turned many a bitch-boy into a human toilet and relish the opportunity to do it again. My favorite experience was peeing on the face of a burly NJ-based fire fighter. I was his personal hydrant. He was so thrilled by the experience, he kept his piss-stained shirt to commemorate the day.

Are you in a fetish lifestyle partnership? Would you like to be?
Yes, I'm in a happy, fulfilling, female-led, non-monogamous relationship with my primary partner, Reid Castle. I can't imagine going back to non-lifestyle relationship and am currently invested in finding a fellow femme partner. We're open to the idea of a throuple if it works for all parties involved, but would prefer to find a cutie to play with intermittently.

What was you favorite part of shooting for TABOO?
Peeing in the glass carafe! It was actually really hard to balance in a high-heeled squat just at the right place over the container. I got weirdly pee-shy so my bladder wouldn't release the absurd amount of coffee I'd had that day. It was a fun change of pace.

How has the Covid-19 pandemic changed your sex life?
It's limited the amount of additional partners I am used to having since I shoot porn. But Reid and I actually moved in together so our sex life hasn't changed too drastically. It's been fun to surprise each other with random sex or figure out how to schedule out shooting scenes vs. having private sessy time.

When did you start fetish modeling and under what circumstances?
I started modeling in May 2019 and the photographer I was working with was a well known kink/fetish photographer so we went straight to booking fetish and nude shoots.

What fetishes do you like personally? What do you fetishize in your life?
I'm a sucker for a good bondage session with a little bit of dom/sub action. Playing into my oral fixation or adding breath play simply enhances the experience.

Why did you want to shoot for TABOO Magazine?
There is a lot to my sexuality that I can't show on social media platforms and I think having the opportunity to be in TABOO will allow me to express that side of my personality..

Do you wear fetish clothing in public? What are your favorite items?
Absolutely- leather and latex. Chokers, bodysuits and gloves are just a few of my favorites.

What kind of porn do you like? What do you search for on the internet?
I like all things fetish so when I'm searching through my list of ethically sourced porn sites, I typically lean towards videos with real bodies doing some really dirty shit… sometimes with multiple partners and lots of toys (:

Do you like porn magazines?
Of course; minimal paper trail and it's porn on the go. Who doesn't love porn magazines?

Are you dominant, submissive or a switch?
I'm a switch but I love to being submissive to a deserving dominant.

Have you ever been pissed or pissed on others?
I've pissed on someone else and I've had someone piss in my mouth does that count?

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
As I get older and more comfortable with my sexuality, my boundaries and preferences have definitely evolved. I used to hate anal sex but now I love it!

Are you in a fetish lifestyle partnership? Would you like to be?
I'm currently flying solo but when I do date again, participating and exploring fetishes will be a staple in future relationships.

What was you favorite part of shooting for TABOO?
Working with Chas is always great but seeing the final edits that were chosen to be in the magazine is the best part!

How has the Covid-19 pandemic changed your sex life?
I have been without sex during this pandemic due to my long term relationship ending. My sex life is now solo and cyber.
